

Report on Lecture cum Workshop on Summer Internship in Miranda House

18 April, 2019

On 18/4/19 a lecture cum Workshop on Summer Internship was organised in Miranda House, Department of Geography, University of Delhi in collaboration with YUVA. The workshop focused on the opportunities of internships provided by the organisation, with government agencies, prestigious MNC's, and major think tanks through YUVA platform. The program was aimed to help students find a suitable internship to benefit them in their field and enable them to use their summer break wisely and also contribute in national reconstruction.

Poster and Schedule of the Event

The workshop cum lecture started by introduction and welcome of Akash ji by teacher in-charge Dr. Priyanka Puri & Dr. Poonam Kumaria with token of memento. Akash ji representing YUVA started his lecture by introduction YUVA, its activities and collaborations. In his first presentation he mainly focused on YUVA as a student organisation and round the year student related activities.

Welcome of Akash ji by Teacher In-charge Dr. Priyanka Puri & Dr. Poonam Kumaria with token of Memento.

Akash Ji Introducing YUVA and its Various Dimensions

In second presentation Akash ji, informed the students about the different options provided and the institutions they have partnered with, to enlighten the students as to what to expect of this organisation.

Akash Ji Interacting with Students on Internship Opportunities through YUVA

The program was successful and useful for the **170 students** who all participated and gained more knowledge about the internship opportunities through YUVA. The entire programme was coordinated by President of Geography Department, Miss Konishka. The event was also attended by Chandan ji (YUVA Convener, Delhi Vishwavidalaya) and Surya Pratap ji (Zila College Pramukh) The event concluded by vote of thanks by Dr. Manjit Singh (Faculty, Miranda House & Delhi Vishwavidalaya Pramukh) and group photograph.

Vote of Thanks
